---

Onslaught is a Walking Dead sandbox game for iOS and Android. There are five levels in the game. In the first level, you'll fight zombies on a farm. In the second level, you'll battle walkers in a supermarket. In the third level, you'll meet a bunch of survivors in a hospital. In the fourth level, you'll go to a car dealership. And in the final level, you'll battle hundreds of zombies on a airplane. In Walking Dead: Onslaught, you're the only person who can help them survive. You have to get to the top of the map and stay there. You have 10 days to survive. During
